**TORAH:**

**Exodus 25**

*Tabernacle: Ark, Table, Menorah*

1 Adonai spoke to Moses saying,

2 “Tell *Bnei-Yisrael* to take up an offering for Me. From anyone whose heart compels him you are to take My offering.

3 These are the contributions which you are to receive from them: gold, silver and bronze;

4 blue, purple and scarlet cloth; fine linen and goat hair;

5 ram skins dyed red, sealskins, acacia wood;

6 oil for the light, spices for the anointing oil and for the sweet incense;

7 onyx stones and setting stones for the ephod and for the breastplate.

8 “Have them make a Sanctuary for Me, so that I may dwell among them.

9 You are to make it all precisely according to everything that I show you—the pattern of the Tabernacle and the pattern of all the furnishings within—just so you must make it.

10 “Now they are to make an Ark of acacia wood, two and a half cubits in length, one and a half cubits wide, and a cubit and a half high.

11 You are to overlay it with pure gold, inside and out, and make a crown of gold around it.

12 You are to cast four rings of gold for it, and place them in its four feet. Two rings will be on one side, and two rings on the other side.

13 Also make poles of acacia wood and overlay them with gold.

14 You are to put the poles into the rings on the sides of the Ark, in order to carry the Ark.

15 The poles are to remain in the rings of the Ark, and not be taken from it.

16 You are to put the Testimony, which I will give you, into the Ark.

17 “Then you are to make an atonement cover of pure gold, two and a half cubits long, one cubit and a half wide.

18 Also make two *cheruvim* of gold, from hammered work, at the two ends of the atonement cover.

19 Make one *cheruv* at one end and one *cheruv* at the other end. Of one piece with the atonement cover you are to make the *cheruvim* at its two ends.

20 The *cheruvim* are to spread out their wings above, shielding the atonement cover with their wings, each facing its companion. The faces of the *cheruvim* are to be turned toward the atonement cover.

21 You are to put the atonement cover on top of the Ark, and inside the Ark you will put the Testimony that I will give you.

22 “I will meet with you there. I will speak with you from above the atonement cover—from between the two *cheruvim* that are on the Ark of the Testimony—about all that I will command you, for *Bnei-Yisrael*.

23 “You will make a table of acacia wood, two cubits long, one cubit wide, and a cubit and a half high.

24 You are to overlay it with pure gold, and make a crown of gold around it.

25 Make a border a single handwidth wide around it and a golden crown for the border all around.

26 Also make four gold rings for it, and put the rings in the four corners that are on its four feet.

27 The rings are to be close to the borders, as holders for the poles to carry the table.

28 You are to make the poles of acacia wood and overlay them with gold, so that the table may be carried with them.

29 You are also to make the dishes, pans, jars and bowls to pour drink offerings, from pure gold.

30 Always set the bread of the Presence on the table before Me.

31 “You are to make a *menorah* of pure gold, by hammered work. Its base, stem, cups, bulbs and flowers are to be one piece.

32 There are to be six branches coming out of the sides, three branches of the *menorah* out of one side, and three branches out of the other.

33 There are to be three cups shaped like almond blossoms in one branch, each with a bulb and flower, then three cups made like almond blossoms in the next branch, each with a bulb and flower, and so forth for the six branches coming out of the *menorah*.

34 Within the *menorah* will be four cups made like almond blossoms, with bulbs and flowers.

35 There is to be a bulb under two branches of the first piece, a bulb under two branches of the second piece, and a bulb under two branches of the third piece, for the six branches coming out of the *menorah*.

36 Their bulbs and their branches are to be one piece—all of it a single hammered work of pure gold.

37 “You are also to make the seven lamps for it, and set the lamps up to shed light over the space before it.

38 “The tongs and the censers are to be of pure gold.

39 It is to be made from a talent of pure gold, with all these pieces.

40 See that you make them according to their pattern being shown to you on the mountain.

## **Exodus 26**

### *Curtains*

1 “Moreover you are to make the Tabernacle with ten curtains of fine woven linen, of blue, purple and scarlet, with *cheruvim* made by the work of a skillful craftsman.

2 The length of each curtain is to be 28 cubits, and the width of each curtain four cubits. All the curtains are to have the same measure.

3 Five curtains are to be coupled together one to another, and the other five curtains are also to be coupled one to another.

4 Also make loops of violet on the edge of the one curtain that is outermost in the first set, and do likewise within the edge of the curtain that is outermost in the second set.

5 You are to make 50 loops in the first curtain and 50 loops on the edge of the curtain that is in the second set. The loops are to be opposite one another.

6 Then make 50 clasps of gold, and couple the curtains one to another with the clasps, so that the Tabernacle may be one piece.

7 “You are to make curtains of goat hair for a tent over the Tabernacle, 11 curtains in all.

8 The length of each curtain is to be 30 cubits and the width of each curtain four cubits. The eleven curtains are to have the same measurement.

9 You are to couple five curtains by themselves, and six curtains by themselves, and double over the sixth curtain in the forefront of the tent.

10 Then make 50 loops on the edge of the one curtain that is outermost in the first set, along with 50 loops on the edge of the curtain that is outermost in the second set.

11 Make 50 bronze clasps, put them into the loops, and couple the tent together, so that it may be one.

12 As for the overhanging part that remains of the tent curtains, the half curtain that remains is to hang over the back of the Tabernacle.

13 The extra cubit on one side, as well as the cubit on the other side, which remains in the length of the curtains of the tent, is to hang over the sides of the Tabernacle on each side, to cover it.

14 You are to make a covering for the tent of ram skins, dyed red, and a covering of sealskins above.

15 “You are to make the framework of boards for the Tabernacle from acacia wood, standing upright.

16 The length of each board is to be 10 cubits by one and a half cubits wide.

17 There are to be two supports in each board, joined one to another. Do this for all the boards of the Tabernacle.

18 You are to make the 20 boards for the south side of the Tabernacle,  
19 and 40 silver bases underneath the 20 boards. Two bases go underneath one board for its supports and two bases under another board for its supports.

20 Likewise, for the second side of the Tabernacle, on the north side, there are to be 20 boards,

21 with their 40 bases of silver. Two bases go under one board and two bases under the next board.

22 For the back part of the Tabernacle, westward, you are to make six boards.

23 Make two boards for the corners of the Tabernacle on the back side.

24 They are also to be doubled at the bottom, and in the same way joined at the top by the first ring. It is to be this way for them both, and they will provide for the two corners.

25 So there will be eight boards, with 16 silver bases, two bases under each board.

26 “Also make crossbeams of acacia wood, five for the boards on one side of the Tabernacle,

27 five for the boards on the other side of the Tabernacle, and five for the boards on the back part of the Tabernacle to the west.

28 The middle crossbeam in the center of the boards will pass through from end to end.

29 Then overlay the boards with gold, and make their rings from gold as holders for the crossbeams, and overlay the crossbeams with gold.

30 “You are to raise up the Tabernacle according to the plan which you were shown on the mountain.

31 “Make a fine woven linen curtain of blue, purple and scarlet, with *cheruvim*. It is to be the work of a skillful craftsman.

32 You are to hang it on four pillars of acacia overlaid with gold, their hooks being made of gold, atop four bases of silver.

33 You are to hang the curtain under the clasps, and bring the Ark within the curtain of the Testimony. The *parokhet* will divide for you between the Holy Place and the Holy of Holies.

34 “Then you are to put the atonement cover on the Ark of the Testimony in the Holy of Holies.

35 You shall set the table outside the curtain, and the *menorah* opposite the table on the side of the Tabernacle toward the south. You are to put the table on the north side.

36 “For the entrance of the tent, also make a screen of blue, purple and scarlet, finely twisted linen, the work of a color weaver.

37 You are also to make for the screen five pillars of acacia, and overlay them with gold. Their hooks are to be made of gold, and you are to cast five bases of bronze for them.

## **Exodus 27**

### *Altar, Courtyard, Oil*

1 “Make the altar of acacia wood, five cubits long and five cubits wide. The altar will be square and its height is to be three cubits.

2 Make horns on the four corners—of one piece. Overlay it with bronze.

3 You are to make pots for it to take away ashes, along with shovels, basins, forks and fire pans—make all the utensils of bronze.

4 Also make a bronze grating net for it, and on the net you are to make four bronze rings on the four corners.

5 You are to place it under the ledge around the altar beneath, so that the net may reach halfway up the altar.

6 Make poles for the altar, poles of acacia wood, and overlay them with bronze.

7 Its poles are to be put into the rings, on the two sides of the altar, for carrying it.

8 You are to make it with planks so that it is hollow. As it has been shown to you in the mountain, they are to make it just so.

9 “You are also to make a courtyard for the Tabernacle. For the south side there are to be hangings for the courtyard of finely twisted linen, 100 cubits long.

10 There are to be 20 pillars with 20 bronze bases, and the hooks on the pillars along with their bands are to be made of silver.

11 Likewise for the north side, in length there are to be 100 cubit long hangings, 20 pillars and 20 bronze bases. The hooks of the pillars and their clasps are to be made of silver.

12 “Now for the width of the courtyard on the west side there are to be 50 cubits of hangings, ten pillars and ten bases.

13 The width of the courtyard on the east side is to be 50 cubits.

14 The hangings on one side of the gate are to be 15 cubits, with three pillars and three bases.

15 For the other side there is also to be 15 cubits of hangings, with three pillars and three bases.

16 “For the gate of the courtyard there is to be a 20 cubit curtain of blue, purple, scarlet and finely twisted linen, the work of a color weaver, along with their four pillars and their four bases.

17 The pillars of the courtyard are to be banded with silver, their hooks of silver, and their bases of bronze all around.

18 The length of the courtyard is to be 100 cubits, and the width 50 throughout. The height is to be five cubits, with hangings of finely twisted linen, with their bronze bases.

19 All the articles of the Tabernacle for all the services there, along with all the pegs, including all the pegs of the courtyard, are to be bronze.

## HAFTARAH

### 1 Kings 5:1-12

#### Wealth and Wisdom

1 Now Solomon ruled over all the kingdoms from the River to the land of the Philistines up to the border of Egypt. They brought tribute and served Solomon all the days of his life.

2 Solomon's provision for one day was 30 measures of fine flour, 60 measures of meal,

3 10 fat oxen, 20 pasture-fed oxen, 100 sheep, beside deer, gazelles, roebucks and fatted geese.

4 For he had dominion over the entire region west of the River, from Tiphseh even to Gaza, over all the kings west of the River; and he had *shalom* on all sides around him.

5 So Judah and Israel lived securely, every man under his vine and under his fig tree, from Dan to Beersheba, all the days of Solomon.

6 Solomon had 40,000 stalls of horses for his chariots, and 12,000 horsemen.

7 So those officers provided food for King Solomon and all who came to King Solomon's table, each in his month. They let nothing be lacking.

8 They also brought barley and straw for the horses and swift steeds to the place where it should be, each according to his charge.

9 God gave Solomon wisdom and discernment in great measure, and a breadth of understanding as vast as the sand on the seashore.

10 Solomon's wisdom surpassed the wisdom of all the sons of the east and all the wisdom of Egypt.

11 For he was wiser than all men—than Ethan the Ezrahite, or Heman, Calcol and Darda, sons of Mahol—and his fame was in all the surrounding nations.

12 He also composed 3,000 proverbs and his songs were 1,005.

## 1 Kings 6:1-13

### Building the Temple

1 Now it came to pass, 480 years after the children of Israel came out of the land of Egypt, in the fourth year of Solomon's reign over Israel, in the month Ziv (which is the second month), that he began to build *Adonai's* House.

2 Now the House that King Solomon built for *Adonai* was 60 cubits long, 20 cubits wide, and 30 cubits high.

3 The porch in front of the Sanctuary of the House was 20 cubits in length—corresponding to the breadth of the House—and its depth was ten cubits from the front of the House.

4 Also for the House he made windows with artistic frames.

5 Against the wall of the House he built a side-structure surrounding both the Temple and the inner Sanctuary; thus he made side-chambers all around.

6 The lowest story was five cubits wide, the middle was six cubits wide, and the third was seven cubits wide. All around on the outside he provided offset ledges in the wall of the House, so that the beams would not be inserted into the walls of the House.

7 For the House, while being constructed, was built of stone finished at the quarry; with neither hammer, axe nor any iron tool heard in the House during its construction.

8 The doorway to the lowest story of the side chambers was on the right side of the House. They went up by winding stairs to the middle story, and from the middle to the third.

9 When he finished building the House, he covered the House with beams and planks of cedar.

10 He built the stories of the side-structure against the whole House, each five cubits high, and they were fastened to the House with timbers of cedar.

11 Then the word of *Adonai* came to Solomon saying:

12 "As for this House which you are building, if you will walk in My statutes, execute My ordinances and keep all My *mitzvot* by walking in them, then I will establish My word with you, which I spoke to your father David,

13 I will dwell among the children of Israel, and will not forsake My people Israel."

## BRIT CHADASHA

### Hebrews 8:1-6

*Yeshua*, Mediator of a Better Covenant

1 Now here is the main point being said. We do have such a *Kohen Gadol*, who has taken His seat at the right hand of the throne of the Majesty in the heavens.

2 He is a priestly attendant of the Holies and the true Tent—which *Adonai* set up, not man.

3 For every *kohen gadol* is appointed to offer both gifts and sacrifices, so it is necessary for this One also to have something to offer.

4 Now if He were on earth, He would not be a *kohen* at all, since there are those who offer the gifts according to the *Torah*.

5 They offer service in a replica and foreshadower of the heavenlies—one that is just as Moses was instructed by God when he was about to complete the tabernacle. For He says, “See that you make everything according to the design that was shown to you on the mountain.”

6 But now *Yeshua* has obtained a more excellent ministry, insofar as He is the mediator of a better covenant which has been enacted on better promises.

### Hebrews 9:23-24

22 And nearly everything is purified in blood according to the *Torah*, and apart from the shedding of blood there is no forgiveness.

23 Therefore it was necessary for the replicas of these heavenly things to be purified with these sacrifices—but the heavenly things themselves with better sacrifices than these.

## Hebrews 10:1

1 The *Torah* has a shadow of the good things to come—not the form itself of the realities. For this reason it can never, by means of the same sacrifices they offer constantly year after year, make perfect those who draw near.
